

Praying for Your Community

What Is a Prayer Walk?

A prayer walk is simply walking through your neighbourhood while quietly talking with God. You don't need special words, training, or a script. You walk, observe, bless, and pray as God leads.

- Notice the needs of their community
- Feel compassion for neighbours
- Pray with focus
- Meet people naturally
- Invite God's presence into everyday places

Whether alone, with a friend, or in a small group, this one-hour guide leads you step-by-step.

Before You Begin

Choose a starting point near your home, workplace, church, or familiar street.

"Lord, as I walk today, open my eyes to see this place the way You see it. Lead me as I pray."
